Sample Enterprise Knowledge Base Document

## 1. Working Hours

Standard working hours are 9:00 AM to 6:00 PM, Monday through Friday, including a one-hour lunch break. Employees are expected to maintain their assigned schedules unless an approved flexible-work arrangement is in place.

Employees who need to change their working schedule should inform their manager in advance whenever practical.

## 2. Leave Policy

Full-time employees receive 24 days of paid leave per calendar year. Leave requests should normally be submitted at least three working days before the planned absence.

For emergencies or unexpected illness, employees should notify their manager as soon as reasonably possible. Unused leave may be carried forward according to the applicable company policy.

## 3. Remote Work

Eligible employees may work remotely up to two days per week with manager approval. Remote employees must remain reachable during core working hours and must protect company information when working outside the office.

Employees handling confidential information should use company-approved devices, networks, and authentication methods.

## 4. Employee Benefits

Eligible full-time employees receive health insurance, an employee assistance program, and access to professional development resources. Specific benefit limits and eligibility conditions are defined by the benefits plan documents.

## 5. Performance Reviews

Employees receive a formal performance review twice per year. Reviews consider role objectives, quality of work, collaboration, reliability, and progress against agreed goals.

## 6. Workplace Conduct

Employees are expected to communicate respectfully, protect confidential information, comply with security requirements, and avoid conflicts of interest. Concerns about workplace conduct should be reported through the appropriate manager or HR channel.
